

The Commission on VASAP

2022 Annual Executive Summary

January 2023

Your Doorway to Safe & Sober Driving

Introduction

The Virginia Alcohol Safety Action Program traces its roots to Fairfax County. In 1972, it became the site of one of 35 national “Alcohol Safety Action Projects” funded by the National Highway Traffic Safety Administration (NHTSA). On March 24, 1975, legislation passed by the General Assembly expanded this program statewide establishing driver education and rehabilitation programs in an effort to reduce the number of highway tragedies. In 1986, the General Assembly formed the Commission on Virginia Alcohol Safety Action Program (Commission on VASAP). This provided for the standardization of ASAP operations, thereby increasing the quality and equity of services to offenders statewide.

There are currently 24 Alcohol Safety Action Programs (ASAPs) throughout Virginia. Every jurisdiction in the Commonwealth is covered by one of the local programs. The ASAP programs share in the responsibility with other highway safety partners to help lower the number of impaired drivers on our roadways.

Section 18.2-271.2 of the Code of Virginia requires the Commission on VASAP to submit to the Governor and the General Assembly an annual executive summary of the interim activity and work of the Commission. This report provides an overview of Commission on VASAP activities during 2018.

The Commission on VASAP continues to provide quality services to the citizens of the Commonwealth of Virginia without using any general state revenues. The Commission looks forward to ongoing success in 2020 as it works cooperatively with the General Assembly and other highway safety stakeholders to reduce traffic-related injuries and fatalities.

Mission

To improve highway safety by decreasing the incidence of driving under the influence of alcohol and other drugs, leading to the reduction of alcohol and drug-related fatalities and crashes.

Programs

VASAP has developed many educational programs designed to improve highway safety, providing a credible Alcohol Safety Action Program that responds to the needs of each locality in Virginia. Included among these are:

- ASAP Education Groups
- Community Service Programs
- Driver Improvement Program
- DUI Court
- Multiple Offender Restoration Review
